

CASTELLMARCH, ABERSOCH
TEST AND TRACE SYSTEM – Covid-19

Touring Caravans / Campervans

As part of the Welsh government's measures to help reduce the risk of local outbreaks of coronavirus, we have been asked to keep a record of all guests, together with their arrival and departure times.

We kindly ask that **for every period of stay** that a lead contact name for each caravan/motorhome complete and return the form below by email/in person . If there are any changes to the information provided please let us know.

We will only share this information with NHS Test and Trace, if asked, in the event of a visitor testing positive for coronavirus. It will not be used for marketing or any other purposes.

Thank you for your co-operation.

Wyn and Helen.
