

Castellmarch Walk

(3.4 miles allow approx. 1.5 hours)

Go to the right past the mansion. Walk through the farmyard and then up the track. Half way up you'll reach a crossroads - keep right here.

Go through the gate and continue along the track past Fferm y Muriau. Go through the gate into the farmyard, through another gate and down the track to another gate. Go through it and on until you reach a gate at the bottom of the hill. (The track from Muriau can be wet if it has been raining.)

Don't go through the gate, but turn left and follow the fence. At the end of the fence, go right and down the wooden steps and over a stile, over a small bridge, follow the bottom of the valley for about 600m until you reach a stile. Go over it and straight ahead, past a small lake on the right.

Carry on to another stile and go over it. Keep going through the field into some gorse where you will find a small bridge which will take you to another field. Cross this field to more gorse bushes and another small bridge. (It can be wet after rain.)

Go on towards more gorse and a stile. Go over the stile and up the wooden steps to the field and along the right side of the field until you reach a kissing gate. Go through it and down the steps to a track. Go left and you will come to the main road near the harbour.

Cross the road.

Either: Go onto the beach. If the tide is out then you can walk along the beach – keep left.

Or: If the tide is in, go up the hill and then down, and when you're almost at the bottom you will see a path with wooden steps going to the right through the woods down to the beach. Keep left along the beach.

As you walk along the beach you will see houses behind the sand dunes. There is a small road through the sand dunes where tractors come on to the beach to launch boats. Go along this road into the Warren Holiday Park. (A Public Footpath runs through the park.)

Go straight ahead through the holiday park and out to the main road. Cross the main road towards the entrance to Castellmarch. Go through the small gate and up the road back to the mansion.
